

OneKirk

working for an inclusive, affirming and progressive church

What kind of church?

- What does it mean when we say “All Are Welcome”?
- What limits are there on God’s hospitality?
- What can the Kirk offer to society to benefit human relationships?

This second OneKirk conference on the theme of “What kind of church?” offers a space for open and honest discussion about these questions for everyone in the church.

What kind of welcome?

Speaker: Rev Prof George Newlands

*Professor Emeritus of Divinity, Glasgow University
and author of ‘The Hospitable God’*

What kind of relationships?

Speaker: Rev Tom Gordon

*formerly chaplain of Marie Curie Hospice
Edinburgh*
